**Dave Procuk**

**Manager of Transportation Logistics**

**Avery Products Corporation**

---

Dave Procuk, Manager of Transportation Logistics at Avery Products Corporation, is responsible for all transportation related functions for their North American business. Based in Orange County, CA, Dave brings various supply chain experience to minimize total costs while seamlessly improving the overall performance to both external and internal customers.

In his 13 years with Avery, he has held positions ranging from buyer, production planner, analyst, technology developer, project manager, and more. He holds a BBA from Ohio University in Management Information Systems and Marketing. Outside of work, he enjoys making memories with his wife and young children, and when possible, travelling the globe to new destinations.
