Pete Alle

**Sr. Director Global Customer Service & Logistics
Center of Expertise**

Mondelēz International

Biography: Pete has over 25 years of experience in the consumer goods field and has been a leader in multiple functional areas including manufacturing, engineering, distribution, transportation, supply chain and strategy. As Sr. Director of Mondelēz International's Customer Service & Logistics Center of Expertise, Pete is responsible for Global Business Process Improvement and Innovation across the supply chain from shelf and consumer back to suppliers. His team's areas of responsibility include planning, logistics execution, order management, customer collaboration, cash collection and commercialization. An area of focus for Pete and his global team is ensuring that Mondelēz International applies the best thinking and best practices to Integrated Business Planning across the multiple marketplaces that the company participates in globally. Pete's prior experiences include assignments with Kraft Foods and Booz-Allen & Hamilton.

Pete received a BS degree in Engineering from Rensselaer Polytechnic Institute and a MS degree in Engineering from Princeton University.
