Josué Muñoz

Vice President, Global Customer Service and Logistics

Colgate-Palmolive

Josué Muñoz has more than 24 years multi-functional experience with Colgate-Palmolive. Since 2010 he has been Vice President Global Customer Service and Logistics where he has driven the initiative to Synchronize Demand and Supply increasing Supply Chain Flexibility, Reliability and Responsiveness and lately the implementation of shared service centers for core supply chain processes.

He started his career as Information Technology Director in Colgate's subsidiary in Colombia his country of origin. In 1996 became the Director for Customer Development in the same subsidiary. In 2000 he was named head for Customer Development for the Latin America Division. In 2005 moved to Colgate-Palmolive European Headquarter in Geneva as Vice-President Customer Development for Europe/South Pacific. In 2008 he was named General Manager for the Caribbean region.

Josué holds a degree in Computer and Systems Engineering from the Universidad de Los Andes in Bogotá, Colombia.
