Full-Time MBA Supply Chain
2016 News & World Report Rankings:
#5 among public institutions;
#8 nationwide.
Undergraduate Program

The mission of the Haslam College of Business Undergraduate Programs office is to provide comprehensive academic and educational program planning that promotes integrity and responsibility within a diverse learning environment.

Supply Chain Management - Undergraduate Major

Objective: To develop supply chain professionals that are capable of managing and controlling boundary-spanning activities and processes both within the firm and across the global supply chain.

SCM 460 – Global Strategies for SCM

SCM 411 Supply Chain Modeling & Analysis
SCM 412 Supply Chain Info. Technology
SCM 413 Supply Chain Operations
SCM 421 Global Strategic Sourcing

SMC 310 - Principles of SCM

BA 331 – Supply Chain Management
Undergraduate Internships

The SCM faculty strongly encourage students to do an internship to enhance and complement their learning experience. UT students are highly recruited throughout the year to fill intern positions nation wide in a variety of industries and settings.

INTERESTED IN DEVELOPING AN INTERNSHIP PROGRAM?

SCM faculty are available to consult with you about the best intern program design for your company.

Students actively seek:

- 6 month, full time internships (Fall and Spring Semesters)
- 3 month summer Internships

Contact Dianne Marshall, MScM Student Career Management, at: dkmash@utk.edu or 865-974-0569

The UT Center for Career Development

is ready to support your recruiting needs –

- ALWAYS AVAILABLE to talk with employers about the many recruitment services offered by their office;
- DEDICATED STAFF for our college and major who are available to assist students as they progress through their academic career;
- HOST the SCM JOB FAIR each Fall;
- ONGOING OPPORTUNITIES each semester for employers to interface with students & recruit for positions.
